The school has different types of insurance for different events that may take place in the school. The school is covered by Business Insurance by that protects against accidental incidents.

Students

All students at The BECC are insured by AIA. This covers students whether in school or out during their time with The BECC. Each insurance policy will pay up to 10,000 baht per case.

Staff

All staff contribute alongside the school for Social Security that means staff may use the Social Security for claiming against injury and illness.

All non-class teachers are provided with AIA insurance that covers each person up to 10,000 baht per case for the insured.

Class Teachers receive BUPA insurance. The BUPA insurance can be upgraded if individuals wish to do so.
